

## **MRHA TO HOST NRHA JUDGING SEMINAR**

We are pleased to announce that MRHA will host an NRHA Judging Seminar in March 2010. This will present a rare opportunity for MRHA members to participate in one of these seminars close to home.

Current NRHA Vice President Allen Mitchels will be the clinician.

The seminar promises to have something to offer reiners at all levels. Whether you are interested in better understanding what judges are looking for so that you can improve your score, or if you want to become an NRHA judge, this event is a great place to start.
